RE: Fashion Leadership Board Applications for 2024-2025

Thank you for your interest in the Kentucky 4-H Fashion Leadership Board. This board has been an active part in helping develop and promote the 4-H Textiles project in Kentucky for the past nine years. The Board has planned, conducted and attended workshops and educational programs throughout Kentucky. Good luck with your application!

The Kentucky 4-H Fashion Leadership Board will consist of individuals who have an interest in Fashion, Textiles, and Sewing as well as the passion to share that interest with others. Board members will learn how to develop their skills in teaching and encouraging others while having fun and learning more about themselves. The expectation for Board members is to approach each new project with innovation, creativity and critical thinking in order to make it the best it can be for everyone involved.

Sincerely,

Isaac Hilpp  
4-H Youth Development Extension Sr. Specialist
