**Home Garden, Home Lawn, and Special Turf  
Soil Sample Information Sheet  
INSTRUCTIONS**

General:

1. Use this form **only** for **home lawns** (including trees, shrubs, and turf), **home gardens** (including fruits, flowers, and vegetables), and **special turf** (including golf courses, athletic fields, and sod production).
2. Samples must be submitted through your County Extension Agent in bags/boxes furnished by the Agent. No sample will be tested unless it is in the special bag/box and is accompanied by a properly completed form.
3. Explain any special problems to the County Agent so he/she can consider this in his/her recommendations.
4. Sections I through IV are to be completed by the grower.  
Section V is for the use of the UK Soil Laboratory only.  
Section VI is to be completed by the County Agent.

Specific:

Section I — Print name and address; be sure to include zip code.

Owner's Sample Identification — any combination of letters or numerals that will identify the specific location of sampled area, for example, FRN1, GRN1, etc.

Section II — Check routine test unless otherwise recommended by County Agent.

Section III — Mark (x) one box associated with the plant or planting that you will be growing and for which you want a recommendation. Note: If a turf grass in Part A is marked, then a location in Part B must be marked.

Section IV — Mark (x) **one** box in each part that best describes the situation related to the "Plants to be Grown".

Section V — For UK Soil Laboratory Use Only.

Section VI — For County Use Only.
